WHERE DID WE TRAVEL?

In September, we celebrated our first Regent Travel Club tour to the beautiful Colorado Springs! We had many first time group travelers with us on this 7-day tour and they are already looking forward to joining us on one of our next adventures. The weather was perfect and so was our views! Our members experienced Royal Gorge, and, yes, we had a couple ladies dare zip lining over the Gorge! The tour offered shopping at Manitou Springs in search of that perfect souvenir and so much more. We ended our tour in Colorado Springs at the fascinating Garden of the Gods. This National Natural Landmark is over 860 acres of towering red rock formations. Two words to describe this landmark is *majestically breathtaking!* Group travel is one of the best ways to travel. The advantage of joining Regent Travel Club is we take the stress out of organizing a trip. Please join us on our next adventure where you get to explore the world, create new friendships, and leave with long lasting memories!
