SPRING 2024

HELLO SPRING!

“Travel leaves you speechless, then turns you into a storyteller.”

-Ibn Buttuta

*From your
Club Director*

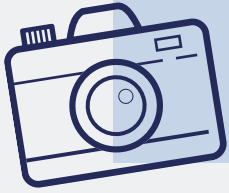

Happy Spring of 2024! Spring is the season of hope and renewal. It is a time for fresh starts, whether in our lives or connecting with loved ones. Take this time to send a friend, co-worker, or family member a note, wishing them a joyful Spring season. After being indoors during a cold winter, you finally can enjoy being outside. Did you know sunlight has proven to be the best remedy for happiness? The exposure to sunlight can increase the amount of serotonin in the brain, which causes our moods to improve. As trees begin to bud and flowers bloom, there is an increase sound of birds singing as they welcome the warmer temperature. It's a time when the world comes alive with color, sound, and energy. From the first bloom of a daffodil, we know Spring is coming. Spring also reminds us that even through cold and darkness, the light of Jesus rises above. Let's take a moment to welcome spring with a joyful heart!

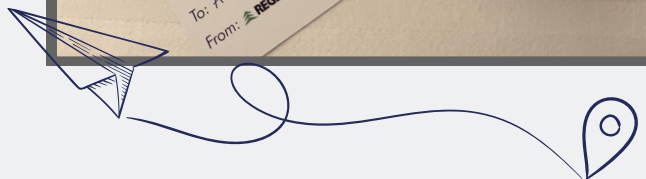

Welcome to your fourth edition of the Regent Travel Club Newsletter!

As your Club Director, my aspiration for your tours is to offer an experience that will create lasting wonderful memories.

At Regent Bank, we value your relationship with us. Offering discount Group Travel is just another way we would like to say thank you. Regent Bank - a bank that goes above and beyond.

Memories Made....

Trip Spotlight

SUNNY PORTUGAL WITH OPTIONAL 4-NIGHT EXTENSION

Join us January 26 - February 4, 2025 to Sunny Portugal! This tour comes with an optional 4-night Madeira Island Post tour extension. Be amazed viewing ancient castles and Roman ruins, groves of orange and almond trees, quiet whitewashed villages, and welcoming locals-Portugal is waiting for you! Our tour begins as we say hello to Lisbon, Portugal's capital and a city full of authenticity, where old customs and ancient history intermix with cultural entertainment. Discover the art and tradition of the Portuguese sidewalks during a locally led walking tour. Afterwards, we will travel to Belem where you'll see the iconic Belem Tower and the Monument to the Discoveries. You will journey to the stunning coasts of the Algarve-the southernmost region of Portugal. We will venture along the coast to discover the importance the sardine canning industry in the Algarve. Then, continue to Monchique, a mountain village nestled among rich landscapes, to learn the secrets of regional bread and fruits. En route to the Portuguese Riviera, stop in Setubal a colorful industrial city and one of southern Europe's best-kept secrets. See the Mercado (Farmer's Market), as it is considered one of the best fish markets in the world, and it's also rich with displays of fresh fruit and vegetables. Meet local artisans at a family-run shop and learn how the famous hand-painted Portuguese tiles are made. There are Mansions scattered throughout Cascais and Monte Estoril all hint at this area's history as a haven for exiled European royals and nobility. We will have a Travel Presentation on June 18, 2024 at 2:00 p.m. at The Library Center 4653 S. Campbell, Springfield, MO. For those outside of Missouri a Zoom meeting will be available. Please call to RSVP at 417-370-6772. This 9 day tour offers so much more and is truly a trip of a life time!
