SUMMER 2024

"QUOTE- 'I haven't been everywhere, but it's on my list.'"

*From your
Club Director*

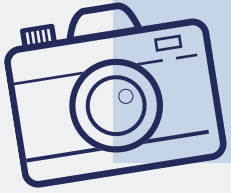

Welcome to Summer! Summer can be a great time for us to be more active. When I think of Summer, it is gardening, mowing, summer vacations, or one of my favorites...attending my grandsons' baseball games. Although, as the temperatures soar, staying indoors with the air conditioning is preferred to avoid Heat Exhaustion. Gardening in the early morning or in the evening can be a great time to take in the activity but avoid the extreme heat of the day. Along with the benefits of being active during Summer, sunlight is an excellent source of Vitamin D. We need a small amount of sun exposure every day to stay healthy. I always enjoy nature walks, as it reminds me of all the wonders that God has created. As the Summer comes to an end, plan your next vacation with us! Regent Travel Club tours are all planned for you. You simply sign up, pack your bags, and enjoy your tour. We hire knowledgeable tour guides to provide you with the history of the destination we are touring. Leaving you with a lifetime of memories. Call us today for more information at 417-370-6772.

Trip Spotlight

NORWEGIAN PEARL GREEK ISLES CRUISE

Join us on May 18th - 31st, 2025 as we set sail aboard the Norwegian Pearl and experience the best of Greece and Turkey! This tour will offer lavish palaces, ancient ruins, bustling bazaars, and authentic Turkish cuisine await your arrival in Kusadasi and Istanbul. Your tour begins in Rome, Italy, a city packed with ancient Roman landmarks and more modern highlights. We'll embark on a panoramic city tour as we stay in the heart of Rome. While in Rome, you'll be able to explore on your own and enjoy places Rome has to offer. The Pantheon is always popular, as is the beautiful Baroque Piazza Navona. The piazza has it all: three glorious fountains, Bernini sculptures, a lovely outdoor cafe scene, and the magnificent Sant'Agnese in Agone church. There's also Palatine Hill, the location of the imperial place complex; the Imperial Forum, famously built by Julius Caesar; and Trajan's Column, which reads like a scroll descending from the sky and depicts the victories of the emperor who commissioned it. The areas open to the public includes St. Peter's Basilica, St. Peter's Square, and the Vatican Museums housing over three hundred galleries filled with art representing all the greatest expressions of genius, from Etruscan, Egyptian, Greek, and Roman to Renaissance and Baroque master pieces. This place offers you no better examples of Italian art elsewhere in the world. Your cruise will take you to Livorno, Italy, Naples, Italy, Messina, Italy, Heraklion, Greece, Santorini, Greece, Kusadasi, Turkey, Istanbul, Turkey, Mykonos, Greece, and Rhodes, Greece. We will have a Travel Presentation to learn more about this tour on August 26th. Please let me know if you are interested in attending by call 417-370-6772. Don't miss this tour! It is truly a trip of a life time!
