FALL 2025

HELLO FALL!

Fall is the time of year to reflect on gratitude. As we gather around Thanksgiving dinner, take the time to reflect on what you are grateful for. Did you know people who regularly practice gratitude by taking time to notice and reflect upon the things they're thankful for, experience more positive emotions? Gratitude doesn't need to be reserved only for momentous occasions. One can be thankful for something as simple as a delicious piece of pumpkin pie. Practicing gratitude can also increase your energy and shield you from negativity. When something doesn't work out as planned, we need to believe something better is coming our way. Try starting each day with a grateful heart, as we can find gratitude in everything. At Regent Bank, we are grateful for our customers we get the honor to serve. We also show gratitude by serving, volunteering, or giving back to our communities. Thank you for being a valued customer. We are thankful for you!
